

Exciting career opportunities

Our client, the Ministry of Energy and Mineral Development (MEMD) is a Government of Uganda (GOU) Ministry whose mandate is to “establish, promote the development, strategically manage and safeguard the rational and sustainable exploitation and utilization of energy and mineral resources for social and economic development.”

The Government of Uganda (GoU) has received funding from the World Bank for the implementation of the Electricity Access Scale-up Project (EASP). The project will support Uganda’s efforts to scale up access to electricity and clean cooking for households including for refugees and their host communities, commercial enterprises, including minerals and mining enterprises, industrial parks, and health and education facilities. Under the EASP, MEMD will establish a Project Implementation

Unit (PIU) to implement the Grid Expansion and Connectivity Component (GECC) that entails grid intensification, expansion and connectivity activities. MEMD will further establish a Project Coordination Unit (PCU) to undertake overall project coordination with implementing Agencies and stakeholders including Uganda Energy Credit Capitalisation Company (UECCC), Office of the Prime Minister (OPM), Ministry of Finance, Planning and Economic Development (MoFPED), Ministry of Justice and Constitutional Affairs (MoJCA), Ministry of Local Government (MoLG), Ministry of Education and Sports (MoES), Ministry of Health (MoH), Ministry of Water and Environment (MoWE), Ministry of Agriculture, Animal Industry and Fisheries (MAAIF), Ministry of Works and Transport (MoWT) and Electricity Distribution Service Providers (SPs), among others.

MEMD seeks to recruit qualified and competent individuals through the Open National Market approach to fill the following positions to coordinate and implement the EASP:
